Chequers- and IGI-backed Rollon bolts on Tecno Center

Chequers Capital and IGI have provided portfolio company Rollon with fresh capital to finance the acquisition of Tecno Center, a provider of linear automation systems for use in manufacturing. Rollon stated it was attracted by Tecno Center's focus on more complex and advanced products, enabling it to supply a wider range of sectors. The business will continue to pursue strategic acquisitions following completion of the Tecno Center deal. It plans to expand its international sales capacity, focusing initially on Germany,...
